3rd International Symposium for Sculptors

Within the context of the 8th "Linderner Kulturwochen" the 3rd International Symposium for Sculptors will take place from 18th June to 03rd July, 2011.

The community of Lindern is looking for four international artists who shall work with stone, wood or metal in the centre of the community of Lindern.

The artists should arrive up to 18th June, 2011.

During the "Kulturwochen" the artists have to be present at Lindern. The "Kulturwochen" will end on 03rd July, 2011.

According to the agreement travelling expenses could be possibly paid by Lindern community.

The artists will be accommodated full board in a hotel in Lindern. This will be arranged by the organizer. In principle the artists will have the evenings at their own disposal, but the organizer will arrange meetings in the evenings to support contact between artists and inhabitants of Lindern.

According to the agreement with the community of Lindern material which is needed will be made available.

With their application interested artists should inform the community if they want to work with stone, wood or metal.

The community will help to put up heavy blanks in Lindern.

The artists have to bring their own tools but will be supplied with electricity, compressed air and water.

The artists will get 1.500€ for their work.

During the "Kulturwochen" the participating artists will have the opportunity to present and sell more of their work.

Work produced during the "Kulturwochen" will stay as a perpetual lease in Lindern.

After the symposium Lindern will present and make an exhibition of sculptures within the community. (Path of sculptures)
